Best wishes for a lovely weekend, - Gill, Caroline, Naomi, Julie, Claire / Hannah and our MDSA: Yvonne.

Don't forget to keep checking our school website for lots of info and links to useful sites.

Finches newsletter

The week when everyone scared Mrs Lovell with their snakes and a Bearded Dragon Lizard came to visit 18.5.18

This week has flown by....my swim partner was very enthusiastic this week so my week started with a lots of splashing! Dare I say it the pool almost felt warm...

Tuesday was the start of snakes and reptiles week and our young people have watched a video clip of snakes and reptiles moving, put scales onto a model, made icing dough snakes with lace tongues and bottle top decoration and also in telling my story have made and then scared me with small snakes Phew...and there was an enormous stuffed snake—about 2 metres long— in the Attention Wiltshire What's in the box... PE was outside so thank you for your co-operation with putting sunscreen on before school. We provide sunhats if they don't already bring one in and shade when needed.

I was pleased to see Rossi letting me guide him a bit more in Yoga too. Half the class travelled to Aldi by bus and it was brilliant to see Reece using his rollator

Happy 16th birthday James!

around Aldi to do his shopping. The other half of class set off and walked there and back— fabulous and our longest walk so far. Yesterday apparently our group had softplay almost to themselves so great for exploration and access but not so good for integration and use of social communication, Back at school we managed a bingo game for practising teen numbers and writing numbers and also played an interactive snakes and ladders game on the computer to recognise dice patterns.. www.countonmathsnakes.com & ladders if you want to try it. Stars of the week: Rossi for joining in with Yoga a bit more and Rhianon for independence skills at home and school. Wowzer!

~~What I have been hearing about ...~~

Also thank you for sending in batteries for our re-cycling project. School are collecting them—all sizes but not currently watch type ones.

Apparently St Nicholas school in Chippenham have hydro sessions on Saturdays that you can book in for. Brandon's mum has also reminded me about the Bowling at Melksham Sports centre...they are often quiet there and have plenty of the ball ramps to make it easier. Have a lovely weekend!
