

11/5/18

Hello Everyone,

Hope you all enjoyed your long weekend and some long awaited sunshine!

I am prioritising Hydrotherapy this term and if the pool remains available with the hoist working will be aiming to use additional sessions alongside Bluebirds which I hope will mean everyone can enjoy a session in the pool. Staffing the hydrotherapy pool remains difficult but we are trialling joint working to see if we can gain better outcomes. I am hoping to use Wednesday morning and Tuesday afternoon alongside our normal Thursday morning and Tuesday morning sessions.

Last Friday we joined the drummers and had a picnic in the garden as we were unable to continue with our visit to White Row Garden Centre. We will try again this week!

**Reminders:**

**Monday June 4<sup>th</sup> school is closed.**

Owls made chocolate chip cookies and everyone was keen to assist in the making process then everyone tasted them with enthusiasm!

Amazing session Owls!
