Friday 14th June 2018

Dear Parents & Carers

This week we seem to have been 'camera shy' as we don't seem to have our usual number of photographs.

We tried out a new story in the sensory studio the other day. It's called Sheldon Snail's 🐌 Sunbathing Session and is great fun. Eady is wearing a pair of sunglasses just like Sheldon Snail!

We had music group on Wednesday afternoon and I think we're a bit out of practice - no concerts for our band just yet! The children recognised the reference music with smiles and did some really good choosing which was fantastic. The buffalo drum is always a favourite, especially with Lydia.

Next week Jo B, our Assistant Head, is bringing her lovely dog, Ceci, into school to visit us. Ceci has been in before so it will be really good to see her again.

We've had a lot of physio going on this week as Tania came in to see a couple of children. We have also managed hydrotherapy a couple of times this week as we now work with 🦉 Owls class to enable it to happen.

DON'T FORGET
We are all going to the cinema to see Peter Rabbit on Friday 29 June. It will be a bit of a challenge as we are walking to the cinema and the film starts at 10.00! Exciting too though!

Eady's family have adopted an orangutan and brought her toy one in to show class. What a special thing to do ❤️

Have a great weekend.
Mandy & Bluebirds Team
