This week in Puffin Class

We have had another busy week in Puffin Class including a visit from Miss Burton with her dog, Ceci.

Warleigh Farm Trip

We had a lovely time at Warleigh Farm on Wednesday. We were lucky that the ground was dry and the weather stayed fine, so we didn't need wellies or raincoats.

The visit began with a ride on the trailer pulled by a tractor. It was very bumpy! We stopped in a field with a large hollow oak tree so that the children could explore the tree and have some exercise. We then continued up to a higher field to visit the cattle including some young calves. Our next job back at the farm buildings was bottle feeding lambs. Every child had a turn. Some children also had a go at milking a model cow. Our final activity was feeding the goats. We then had to return to school for lunch. It was a great 'hands on' morning! Hopefully we will go again some time. Please see separate sheet for photos.

Sport, Health and Well-being Week

This is happening next week and there will be lots of activities for Puffin Class to take part in. Activities include: bouncy castle; ball pit; parachute games; dressing up game; bubble machine; and healthy eating. We also have the sponsored 'Walk to Russia' on Tuesday.

On Tuesday morning at 9 am Aimee, our PE coach, will have a dance session in the hall for parents. If you drop your child off in the morning, you are welcome to join in. The session will last about 15 minutes.

We also have our cinema trip on Friday, so it will be an extra busy week!

Star of the Week!

This week's Star of the Week is Phoebe, who was very brave with animals at the farm and when Ceci, Miss Burton's dog, visited. Well done, Phoebe!

If you want to complete the short survey to have your say about the future of Wiltshire special schools, please follow the link on the news page of the school website.

We hope that you all have a lovely weekend.
