Dear Parents & Carers

This week we have had the amazing Multi-Sensory Art Project Installation in the hall which we have been able to visit several times. We've also booked to go on Monday morning. It is full of wonderful things to experience, touch, look at, listen to and smell. Thank you Becky and the various artists who contributed to it. The Private View was last night which was a lovely opportunity for friends and parents to see the MSAP dome.

Have a really lovely weekend.
Mandy & Bluebirds Team.
