Finches newsletter

Happy birthday Connor! 20th July 2018

Welcome to the last edition of our news for this year...it has been a very quick and fulfilling year with lots to celebrate. As I write this we once again as a school get ready to say some goodbyes to some staff and some students at our leavers assembly. We have no one leaving our lovely class so will be the same happy bunch of Finches in September.

In September my PPA will be covered by Sheila James Sheila has worked in our class before and is also one of the part time teachers in Parrots class so knows us well. She will teach Attention Science and also a PE session.

I am currently sorting the timetable for September but the hydro session is having to move to a Tuesday morning due to the staffing available. Virtually every other aspect of the week is stable.

Our whole school theme for September is "OURSELVES"

Full timetable will follow via email if I have it so you can be

14 years old last Sunday!

Hope you enjoy the photos attached of our Finches team for next year.

This week we celebrate: some amazing communication and partnership with you all in achieving progress.

STARS OF THIS WEEK : The whole class for absolutely amazing shopping at Morrisons....very proud of everyone! Wowzer!

Arrangements for Longleat:
Please send in packed lunch and drinks and sun cream/hat in a backpack they can carry. We will make sure spare clothes/pads/wipes are added to their bags and that we have any medications/medical equipment with us as needed. Any questions—email me THANKS..

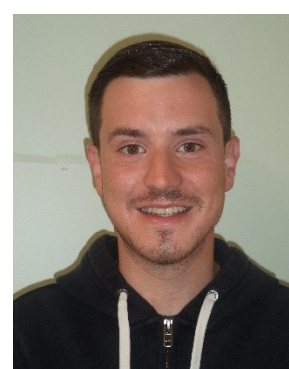

What I have been hearing about ...

The Finches team wish you are very happy summer holiday and look forward to sharing a highlight with your child on our return—feel free to send one or two photos of what they enjoyed the most.

Any suggestions for places to visit/ideas for family leisure time that you have tried and was good ??? Pass them on via this newsletter.

Inflatable day at Eden Vale Rd park, Westbury, Saturday Morrisons have launched calm and quiet shopping every Saturday between 9 and 10 am for their customers with special needs.
