

20th July 2018

Hello!

I can't believe that the school year is coming to a close. I know they say 'Time flies when you're having Fun', but it honestly doesn't seem five minutes since September! We have come a long way since then and the children have all achieved so much. I am very proud of all of them and it has been a real joy to be with them and to share in their learning, as well as to have a lot of fun together!

This time of year is always slightly bitter-sweet, as we have to say 'goodbye and toodle-oo' to some of lovely little Robins in order to make room for some new ones. This time we say a fond farewell to Dominic, who is off to have adventures in a new school next year. We are going to miss him soooooo very, very much. His Larkrise friends wish him the absolute very best and send him all the love in the world as he starts his new school.

We are also saying goodbye to Scotty, who I will miss enormously. Luckily, he is only going next door to Peacocks so we will still get to hang out together – phew!

And it's not just children that we are saying goodbye to – we also need to say a special thank you and goodbye to some top Robins TAs. Angela Gooding, is off to be a Wren; Angela Goodhead is joining Peacocks and Catherine Stone will be a Toucan. They have all been absolute heroes and I am beyond grateful for all their hard work this year.

On a cheerier note, we are welcoming 3 new little Robins into the class. We will be saying Hello to Leo and Leon, who will be joining us from Wrens Class, and to Ashton, who is new to Larkrise. We also welcome some new staff this year. We will be giving a big Robins welcome to Sarah, who is joining us from Toucans and who will be working in Robins each afternoon and to Kelly-Louise, who is new to the school and she will be working in the class full time. We look forward to having lots of fun and adventures together next year!

Don't forget that we are all off to Longleat on Monday!

Please send in a packed lunch for your child to take to Longleat on Monday!

If you could also make sure that they have sun cream on before they come to school, that would be a real help, as we won't have time to apply sun cream to everyone before we have to head out! Thank you!

Have a wonderful weekend!

Rachel ☺
