

Bluebirds Newsletter

Friday 12 October 2018

Dear Parents & Carers

This week has whizzed by! We've all been doing some great work and there have been some amazing reactions, responses and attending; exploring too.

The Magic Carpet is amazing. We love everything about it. It is easy to move from one location to another, it is very simple to operate and always gets immediate reactions from the children and staff. Thank you FOLs. We love it

I hope the weather isn't too awful over the weekend.
Mandy & Bluebirds Team.
