

Swans Weekly News

Friday 16th
November

Its children in need day everybody, a perfect excuse to dress up in silly clothing, and make a mess. Well, we have been doing just that in swans this week. KS5 have had a lot of fun making a mess using Modrock, to cover balloons and make Piggy banks. So far they are looking great. We took a leisurely stroll to the local community centre to see what's on during the week, and whilst there we took advantage of the shop and got a few things to make Fridays lunch. Swans have been joined by Sam the cricket man for PE and we have been playing a fun game of table cricket.

Important information

We will be making a simple snack for lunch each week on a Friday as part of our qualification. No money is required and I will inform the kitchen so you will have a lunch money refund on your 'meal balance'.

KS4 will be working at the farm.

Regular reminders

Class funds £2 per week to cover juice, local trips and any cooking/craft work.

Swimming every Monday morning (full swimming kit and shower kit required.)

PE every Tuesday (full PE and shower kit required)

Many thanks and have a great weekend

Anne and the team.
