What a week! 30.11.2018

Apologies for the distinct lack of photos lately! We try our very hardest but the closer we get to the end of term the more important it becomes to ensuring the all children are taking part in sessions, meaning we may not get a chance to take photos. I will endeavor to take as many as I can next week for you. We have had a very busy week with lots of work being completed, but lots of fun being had and progress being made.

Monday swimming, as you know, was cancelled. Yasemin was poorly and some other staff were unable to swim...so we spent a good fifteen minutes working out a solid plan to ensure we could still go. Plan set up, foolproof and ready to implement...and then Miss Cheadle informs us that the coach has got their days mixed up, with this Monday coming of course being a training day! Instead, we did a Larcpack and a hello session. Monday afternoon was news and singing with Susie.

Tuesday was a very special music and literacy topic day. We enjoyed a singalong in the hall in the morning as well as some writing.

Owen is our Penguin of the week for excellent behaviour management, especially during a very noisy and busy week!

In the afternoon Sheila pressed on with cookery but had to leave early for an appointment, so the class did some counting on the screen.

Wednesday morning was communication and Larcpack, which was thoroughly enjoyed by all. Wednesday after was the magic carpet in the sensory room followed by weekend news captioning. Thursday was soft play for some and shopping for others followed by science and a brand new Christmas themed Larcpack! It was a super chilled and relaxed day. Friday was a trip to Fairfield café in the morning followed by P.E and choosing in the afternoon. Our P.E is slowly becoming top notch!

Have an excellent weekend!
Dan
