Dear Parents & Carers

We're all
decked up
for
Christmas

It was a very special birthday this week for me and I was totally spoilt by the amazing team of Bluebirds. 😊🎂🎉

One of the festive programmes on the Magic Carpet was quite magical although one little bluebird managed to sleep through it!

Father Christmas visit

It's been a good week. Our LARC Pack has been a Christmas one and our sensory story has been The Navity. We have been listening to some beautiful classical Christmas music as well as some fun-filled jolly tunes. We have done our regular 'All About Me' session and the sensory Nativity activity. The children have all been quite amazing and we have had lots of WOW moments. But at this time of year the children and staff are all 'flagging' a little come the middle of the afternoon!

Have a lovely
weekend.
