Hello Everyone,
We have had such a busy week working on tasks across the spectrum of the profound curriculum. When we least expected it pupils surprised us with their enthusiasm to complete their tasks. We shopped for our ingredients for pizza and had such fun making the pizzas and tasting the ingredients too! We used ham and pineapple this week but will be exploring different toppings next week! If you fancy making pizzas at home then they are very simple as we used small pizza bases which when assembled only took 10 minutes to cook. Owls love cooking that is for sure!

Have a good weekend.
