

25th January 2019

Hello!

This week has absolutely whizzed by – Time certainly does fly when you're having fun!

We had such a lovely day with Becky, our Artist in Residence, yesterday. She created a galactic theme in the school hall with lots of interesting things to explore. There was play dough to make planets with; different textured fabrics to explore and hide under; bubble wrap to pop and a little space garden with lights in. It was very beautiful and the children loved it. It inspired lots of amazing interactions and some great imaginary play. So, as always, we send big thanks to Becky for a really lovely day – and for all the amazing work that she does throughout the school. We really are very lucky to have her.

As well as Space Exploration, we have been thinking about healthy eating. Our focus in cooking this term is Healthy Foods. Last week we made orange jelly boats, which was great hands on fun and the classroom smelt very fresh and fruity afterwards! This week we made Planet Pitta Pockets - we chopped tomatoes and a cucumber and popped them into a pitta pocket with some hummus and a falafel. The children really enjoyed chopping and exploring the ingredients, and some of them were very brave and even sampled some hummus and falafel – nom nom!

A big thank you to everyone who has returned their Parents' Evening slips requesting an appointment. Your appointment time is written in your child's Home/School book. If you can't make it to Parents' Evening, I will give you a call to discuss your child's progress over the phone. If you haven't got your slip back yet, then don't worry – just send it back on Monday!

Parents' Evening is the same evening as the Consultation Meeting concerning the school's closure, which is also being held at the school. Hopefully some of you will be able to attend both events. A HUGE thank you to those of you who are planning to attend the Consultation Meeting - I know everyone really appreciates your support.

Have a wonderful weekend!

Rachel ☺

Tuesday 29th January 2019 at Larkrise School

4pm – 7pm Parents' Evening.

5pm -6pm Consultation Meeting for Parents and Carers regarding the school's closure.
