Best wishes for a lovely weekend,
Gill, Caroline, Naomi, Julie, Claire, Steven and Alex and our MDSA: Yvonne.
Don't forget to keep checking our school website for lots of info and links to useful sites.

Finches newsletter

.1st February 2019Brrrr it's chilly now!

The highlight for Monday was seeing James and Rhiannon work so hard in swimming—lots of great kicking on fronts and backs.

In the afternoon, we re-created the mud puddle from our walk in Southwick—taking turns to put on wellies and splash in the puddle—think story language from the Bear hunt but for a walk in the park and use of words to learn prepositions such as under, over, through, behind, next to, along. Connor and Reece were very excited to have their turns.

Then we had a different snack time...doing the wake up game, then having toast for "breakfast" and then practising brushing teeth, which is our focus for PSHE this term. Tom loves the wake up game.

Tuesday : I heard of the amazing hydro work that Brandon and Reece did...well done boys! We also did our news and it's so lovely to see each

Of our youngsters enjoy looking back AND commenting with symbols, signs or speech about the photos and memories they have. Rossi was very excited to look at a photo of Clarendon pool and clearly understood this is where he swims each Monday. Wednesday: Some great reading and use of symbols to prompt signs used together as part of our daily morning work which the children call "box work".

We then had a sunny but cold walk to Tesco's....expect to hear them maybe say about walking down the hill, over the pelican crossing, along the river bank, and over the wobbly bridge!

The Attention Art session was all about spinning things and we made spiral marks in very thick paint, but also loved watching the glitter make spiral marks on a spinning turntable too.

Thursday: making cheese straws to dip in cup-a soup.....

STAR of the week.....Reece for wearing his hearing aid and for amazing hydro work and brilliant drinking.

What I have been hearing about ...

Thinking of joining a youth club...there's one at Fairfield Farm College each week or look at this one in Melksham.

NO LIMITS
Mondays at Young Melksham

Activities include

- Cooking & baking
- Sewing & Stitching
- Pool & table tennis
- Drawing & writing
- Football & Basketball
- Karaoke & Just dance
- Job search and CV writing and much more!
- A free hot drink and snack available on the night

Our Monday night group is for young people aged 13 - 25 with disabilities or learning difficulties, supported by an experienced team of youth workers.

Through this project young people can meet new people from their local community, develop social skills, provide them with valuable practical learning opportunities and experiences that will help them later in life and of course have some fun!

Mondays 6.30pm to 9pm Subs £2 Tuck Shop Available

STARTS 27 February 2017

For more info, or to make a referral to attend please visit youngmelksham.org.uk/nolimits

PHOTO WALL

On our wellie walk and doing practical activities for prepositions, behind, next to, on....

I visited a gym this week with a view to some of our older youngsters starting to attend.... exciting
