5<sup>th</sup> February 2019

This was Robins 5th Forest School Session "Feeling Comfortable"

The session began with the "Owl Babies" story, the students were able to be part of the story with their furry owl toys. After the story the main activity was making a nest for their owl baby using an assortment of natural materials on offer: feathers, hay, leaves, fleece and twigs. With the nests made it was then time for free time and they wanted to look for mini beasts in the soil.
