

Toucan's News

08/02/19

Our class are really enjoying our library of Dinosaur books. We've listened to stories, watched stories but there is nothing quite like sharing a story or even better trying to read one to yourself.

In Cooking and Nutrition this week pupils used cookie cutters in dinosaur shapes, we are icing them today. What could be nicer than an iced stegosaurus!

Have a nice weekend, hope it's not too wet and windy.

We look forward to hearing your news on Monday.

The Toucan team
