# Peacocks

## Peacocks

We are asking for £1.50 each week which is £9 for the term, for class funds. We are walking to Tesco Extra each week to buy resources to use in class. We rely on your donations to be able to enrich your children's learning and appreciate your continued support. Thank you to all of you who have contributed, it is greatly appreciated. 😊

**This week's Star of the Week**  
**is...Byron**

### MONDAY:

Swimming – Please make sure a full swimming kit is sent into school.

Please can you write a brief description (One page) of something your child has done over the weekend in their 'Communication Book'. We will use this on Monday mornings as a prompt for our communication sessions

TUESDAY: Trip to shops.

### FRIDAY

PE – Please make sure PE kits, including trainers/daps are sent into school. Thank you 😊

Have a great weekend  
**The Peacocks Team** 😊

### OUR LEARNING THIS WEEK

We have had an exciting Arts Day this week, based on the theme of 'Lunar Fantasy'. Becky the Artist set up the hall as a multi-sensory art experience and the children made electronic lunar music using keyboards, sound boards and ipad music apps. We hope you liked our junk modelling lunar landing vehicles! All this amazing art will go towards and Arts Award, which you child will receive once we have submitted the evidence.

Thank you to all of you who have sent in ideas for our weekend challenge! We are still waiting on a few more of you to give us ideas then we can get it up and running 😊

We are fortunate to have Luke Cheeseman joining Peacocks until the end of the year. He is a PGCE student and this will be his final placement before he becomes a fully fledged teacher. Luke has had lots of experience working with children in Uganda and he is very excited about teaching Peacocks!
