We are asking for £1.50 each week for class funds this term. We are walking to the local shops each week to buy resources to use in class. We rely on your donations to be able to enrich your children's learning and appreciate your continued support. Thank you to all of you who have contributed, it is greatly appreciated. 😊

OUR LEARNING THIS WEEK

This week we relaxed our 'healthy' rule for the last week of term and have bought fillings for pancakes at the shops. We had great fun flipping the pancakes, spreading chocolate spread over them and sprinkling lemon and sultanas over them.

We have made beds for model people out of junk modelling-I hope you liked them! Next term we plan to have a junk modelling afternoon every Friday.

Thank you to all of you who have made suggestions for our Weekend Challenge. If you haven't written anything in the communication book yet, please do!

And finally, a huge well done to Summer, Oliver and Ollie for their fantastic dance performance at the Forum in Bath on Wednesday; I was so proud of them and it brought a tear to my eye!
