

News Letter created by Sue Eyers - Forest School Lead

26th February 2019

This was Wrens 1st Forest School Session "Exploring New Environments"
The group experienced being outside to explore an area in school not usually available to them. They first created a set of pictorial rules to use during their Forest School sessions to help keep themselves safe. They then listened to the story "Stanley's Stick" selecting the correct objects to match to the pictures in the book. After the story they decorated their own chosen stick with coloured wool, ribbons and feathers. It was then time for free time, where they had the choice of water, sand and soil to explore.

My stick is a ... stick

My stick is a ...fishing rod

My stick is a ...dinosaur
