

Swans Weekly News

Friday 10th May
2019

This week in KS4 we have been thinking about good and bad behaviours. We have also been investigating different surfaces that carry germs and how to clean them. We learnt about seed dispersal in science this week and investigated how seeds can be transported to different places. We also looked at the animal charities that help injured animals around the world.

This week the 6th form students have been baking cakes. We walked to the café and bought a drink and snack. We finished filming our advert for our 'Runaway Sandwich Bar' as part of our Mini-Enterprise and showed it to the rest of Swans Class. We also recapped the important safety aspects and created a collage about possible dangers in the home.

Important Information

Please can you sign the 'Home School Agreement's' on page 22 of your child's Home School Book and list any new absences on the page 27. Many thanks for your co-operation.

Have a great weekend.
Georgina, Anne and the Team.

Regular reminders - Please can we have;

Either £2 per week or £12 at the start of next term please, for class funds to cover juice, local trips and any cooking/craft work.
Full swimming kit and shower kit for swimming every Monday morning.
Full PE and shower kit for PE every Tuesday. Thank you very much.
