

28<sup>th</sup> June 2019

Hello!

Hooray! The sunshine has finally arrived! I was beginning to wonder if we were ever going to crack open the sun cream, but it looks like the sun is going to shine for a while... fingers crossed!

Thank you to everyone who has given us permission to apply sun cream or let us know that they will apply it to their child before school. Unfortunately, there are a couple of forms outstanding. If you still haven't sent back a permission slip for us to put sun cream on your child then please do so ASAP, as we want to ensure that all the children are as safe as possible in the sun. If you would prefer to put a long lasting sun cream on your child at home, then please let us know that that is your intention. Thank you!

This week Larkrise has been celebrating its annual Health and Well Being week. The children have been taking part in a wide range of activities, ranging from bouncing around on a bouncy castle to trotting along in a hobby horse gymkhana! We have had fun in the ball pool as well as scoring some excellent goals in a penalty shoot-out. We have also been thinking about keeping our teeth healthy – we have explored tooth paste and toothbrushes and we've had a go at brushing model teeth as well as our own. Well done if you managed to join in with the Master Chef Pizza making session or come to the Healthy Food Café! It has been a very busy week!

Despite all the busy-ness, we still managed to fit in an afternoon of Pirate art yesterday afternoon. Our Artist in Residence, Becky, set the hall out with all kinds of treasures to discover and explore. There was a desert island, a mini ocean (complete with sea creatures); there were pirate costumes, painting, playdough and even a microphone for sharing pirate adventures or singing some sea shanties! It was AMAZING and we had a fantastic pirate adventure! Thank you so much Becky!

The children have all had a great week and they have enjoyed all the Health and Fitness activities very much. Robins Class would also like to say a very big THANK YOU to Miss Cheadle for organising such a fun week. We all had a wonderful time and I think we all feel a lot fitter too! The children have all been assigned different to different coloured teams over the week and any points that they have earned during the activities will be allocated to their teams. We will find out in assembly this afternoon which team is the winner! We will also find out who Robins' Sporting Personality of the Week will be... I can't wait! It will be a VERY difficult choice to make as all the children have been amazing!

Wishing you all a wonderful, sunny weekend.

Rachel
