

News Letter created by Sue Eyers - Forest School Lead

9th July 2019

This was Bluebirds 5th and last Forest School Session and they continued with the "Early Forest" theme. The "Itchy Bear" story was read once again and they were supported handle the natural materials needed for the story from last session (branches, sticks, logs and stones) and they then experienced handling new natural materials (feathers, teasels, hay, pine cones and fleece) which were added into the story. The objects all had very different textures for them to touch, smell and explore.
