

Parrots Newsletter

18/11/19

In maths we have been looking at 2D and 3D shapes. Parrots found out the names for each shape and then decided whether it was flat or not.

Parrots hard at work adding and subtracting numbers from 1-20.

Parrots have been working very hard this week. On Monday we created Autumn pictures in art, we used lots of different materials to create our pictures.

A gentle reminder to bring in class funds and snacks please 😊

We are looking at Advent around the world for our Christingle service next week. Parrots have been looking at Denmark, Germany and Finland and how they celebrate Christmas in their countries.

Table cricket is our P.E topic this term, Parrots are fantastic at it and are very good at scoring lots of points hitting the ball into the boards.
