## Reminders

Thank you for the class funds we have received. However there are still many funds we have not yet received. We understand this is a busy and expensive time of year but to provide memorable and engaging activities for your children to enjoy and learn through we depend on your funds to purchase resources.

Please can I remind parents that all the children are expected to swim each week. There are some children who repeatedly do not have their kit and this causes a challenge to us to supervise swimmers and non-swimmers at the pool.

## Christingle Service

Thank you to the adults who were able to attend the Christingle service on Monday. Toucans class walked sensibly to the church, sat and listened to the service, joined in with the singing and read the prayer beautifully. We were extremely proud of how well the children stood in the church and used the microphone to read their lines.

**Well done Toucans!!**
