£123.30 was raised through this scheme. Thank you all for sending in your unwanted clothes etc.

We have to say a sad 'bye-bye' today to our nursing student, Jade, who has been with us for 3 weeks. We hope she's enjoyed her time here and that her studies will be enhanced by her experiences.

Have a great weekend.

DATE FOR YOUR DIARY:
Bluebirds, Puffins & Penguins will be sharing some sensory festive songs on Thursday 19 Dec at 10.00

On Monday the 'Me & My Community Team have organised a Curriculum day. It looks set to be a fantastic day as it is based on a Winter Wonderland. There will be sensory sessions throughout the day and will end with carols around the tree in the afternoon. I think we will probably extend the winter wonderland for a day or two as we won't be able to fit it all in on one day! Please let your child wear festive clothes
