### This week in Puffins

On Monday we started work on our art related to 'We're Going on a Bear Hunt'. This week the children helped to make collages/printing representing the river, the grass, and the mud. We will continue next week.

On Tuesday afternoon we had a visit from Susie's friend in her role as 'Cheryl the fitness instructor'. The children had great fun moving to the music.

During Wednesday's cooking session the children tasted some Chinese snacks. Next week we will cook some Chinese food as it is Chinese New Year.

On Thursday we continued our Bear Hunt sensory story with a few changes to the sensory experiences and use of iPad apps to support participation in the story. We went shopping in the afternoon.

### Jumper confusion!

We are trying our best to send jumpers home with the right children each day. It is quite warm in school, so most children take their jumper off at some point (often several times). As we also have seven staff members, the person who takes the jumper off is often different to the one who helps put it back on at the end of the day. It is a great help if your child's name is in the jumper, however some new jumpers are not yet named.

Please could you check your child's jumpers. We have a spare (new) age 9-10 jumper and are missing one for age 7-8. We would love for both to be returned to their rightful owners. Thank you.

### Star of the Week

Our 'Star of the Week' is Mia, who has had a good week. Well done, Mia!

Best wishes for a lovely weekend.
