This week in Puffins

It was back to normal this week after pirate week! I have attached some photos taken last Friday or during an art session this week.

During cooking we toasted hot cross buns to taste. We went shopping on Thursday afternoon to buy some supplies for the class for next week's cooking session and for snack time.

New member of the class team

We now have Leanne Hamilton teaching in Puffins on a Wednesday morning, when I have my planning, preparation and assessment time out of class. Leanne is also working as a member of the TA team on a Friday replacing Maria, who is no longer working on that day. Leanne has previously been based in Finches.

Snack Times

We are trying to encourage the children to eat fruit at snack times (if they are not already doing so). We give them a choice of two or three fruits to begin with then allow them to choose whether they want crisps, biscuits or other snacks. This is going well, and we have already persuaded a couple of children to put a piece of fruit onto their tongues!

Star of the Week

This week's star of the week is Alex. Well done, Alex!

Best wishes for a lovely weekend.
