Fun Science workshop in school

13/03/20
PE Please ensure your child has their PE kit in school.

Reminders:
Class funds is £10 this term.

Please provide a snack for your child every day.

Monthly Café Session

A parent called Ali Wilton, whose daughter used to be a pupil at Larkrise, has set up a monthly cafe session for parents and carers in the local area to get together, talk and enjoy a drink! The We Care Cafe is held in the Art House Cafe at the Market Place in Melksham, with the next session being March 12th, from 3:15pm to 7:00pm.

Pirate Week

We've had a very enjoyable pirate week. We have been on a treasure hunt, listened to pirate stories, made pirate hats, eye-patches, parrots and treasure chests. We also made boats and tested to see if they would float or sink. We also had visit from some pirates and had a fantastic sing-along with them.

Horse Riding

Thank you for returning the horse riding forms promptly. I have decided to take the children horse riding in two groups. The first group had their first session this week and had an initial assessment on 'Merlin' the horse. The second group will be having their initial assessment next week. The group which does not horse ride will be taking part in PE at school.

If you would like your child's wellies sent home at the end of each week to use at the weekend please let us know otherwise we will keep them in school until our horse riding sessions have finished.
