

Daily Living Skills Activities for Swans Term 5 - Week 1

Live skills are all about practice. Have a go at some or all of these activities and when you have completed you can tick the box. Have fun.

In the kitchen:
Help dry up 5 items after lunch.

Horticulture:
With support weed a small area of the garden.

ICT:
Look at one of the IT activities on the Larkrise Website for half an hour.

Communication:
Watch one of Susie's communication songs on your tablet.

Food Tech:
Make a simple sandwich with support from a parent, carer or family member for lunch.

Physical Fitness:
Go for a twenty minute walk with an adult in the sunshine.
